**Additional Information:** The Port Malabar Rifle and Pistol Club welcomes all competitors to the 2019 Smallbore F-Class season. We hope you have a safe and pleasant shooting experience at our facility. See our website: [www.pmrpc.com](http://www.pmrpc.com) or [www.pmrpcrifle.com](http://www.pmrpcrifle.com). Club Bylaws and Range Rules and Regulations apply to all activities at the PMRPC facility. The Release and Hold Harmless Agreement may be previewed there.

All participants are strongly encouraged to wear eye and ear protection on the firing line. All shooters are required to sign a Release and Hold Harmless Agreement to participate. All minors (under 18 years of age) must be under direct adult supervision anywhere on club property.

Each shooter is responsible for every round leaving their rifle. Once the Match starts, a non-visible miss may be grounds to pull the competitor from the line, even during the sighting period, at the discretion of the Chief Range Officer.

All competitors shall close the bolt **only** when the rifle is parallel to the ground and pointed at the targets or the berm. The Line Officer will issue a warning to any competitor that is observed violating this policy. The second occurrence will immediately result in the shooter being disqualified from the remainder of that match. This is a Range Rule to prevent rounds from being launched over the berm.

During the unlimited sighting shot interval the scorer may coach the shooter e.g. watch the bullet path down range and offer corrections. The scorer must account for all rounds fired. If a non-visible miss off the target cannot be attributed to a cross fire, then the scorer must inform the line officer. The Chief Range Officer will have the authority to disqualify the competitor for the rest of the match.

The 100 yard line is under cover. All positions will be shaded. An unofficial rattle board or score board convenience scoring chart is kept by the scorekeepers behind the ready line. The scorecards and the Statistical Officer's report are the official data.

At the time of registration, please identify any cases of equipment sharing, need for zero, new competitors, junior shooters needing an adult, etc. The Chief Range Officer and the Statistical Officer will do what they can to accommodate/balance the requests via squadding. Total satisfaction is not guaranteed.

Campsites with electricity are available on the Club property for \$10 per night. Contact the Match Director for information.
